

Unit 7 Summative Assessment

Name: _____

Date: _____

Show all your thinking. Sketch a bar graph if it helps.

1

A bar graph shows favorite sports: Soccer 5, Basketball 3, Swimming 4, Running 2. Which sport got the MOST votes?

2

Using the same survey: how many MORE chose Soccer than Running?

3

Using the same survey: how many students voted in total?

4

A bar graph shows pets: Dogs 7, Cats 5, Fish 3, Birds 2. Make a data table for this graph.

Unit 7 Summative Assessment (continued)

5

Using the pet survey above: how many more own Dogs than Birds?

6

A table shows Chess 4, Art 6, Drama 3, Robotics 5. Sketch the bar graph in your journal.

7

Felix says "a bar graph is just a table with pictures." Is Felix right? Explain in your own words.

8

Reflection: when would you choose a bar graph over a table? Give one reason.
